

SAVE A SMILE

CHILDREN'S DENTAL PROGRAM

HELPING FOND DU LAC COUNTY CHILDREN SUCCEED!

Who is Eligible?

Fond du lac County residents 18 years and younger
with Medical Assistance coverage only.

The Program

Registered Dental Hygienists enroll eligible children, assess dental health needs, provide dental health education, and coordinate dental visits with contracted local dental providers.

Save a Smile provides basic preventive and restorative services including dental exams, cleanings, x-rays, fluoride treatments, fillings, extractions, sealants, and patient oral health education.

Please call to find out how we can help you!

Tips for Cavity-Free Kids

Don't put your child to bed with a bottle or cup of juice, formula, or milk.

Eat a well-balanced diet, limiting sugars and sweets between meals.

Brush and floss your teeth at least twice a day. It's especially important to brush before **bedtime**.

Brush your tongue to help keep your breath fresh.

Untreated cavities lead to infections, which can lead to pain, tooth loss and serious medical problems.

Be a good role model – Take Care of Your Teeth!!

Healthy Teeth=Healthy Kids
